

# TCS-316

## 16 BAY TABLET CHARGING STATION

### KEY BENEFITS

- ▶ Simultaneous, secure and reliable charging of up to 16 tablets
- ▶ Cable-less docking and charging saves venue staff time and offers simplified self-service
- ▶ Remove the complication and electrical hazards caused by several additional charging adaptors
- ▶ Compact footprint reduces the space needed to charge large quantities of tablets
- ▶ Wide operating temperature range, built-in cooling and optional seven-day timeswitch
- ▶ Designed for the X232 8-inch electronic bingo terminal

The TCS-316 tablet charging station has been designed and developed specifically to meet the needs of applications where large populations of tablets need to be used and charged simultaneously.

Having a single point of cable-less charging completely eliminates the clutter and complication caused by additional leads and adaptors.

Space available for charging tablets is typically minimal. The TCS charging station creates a compact footprint that requires far less space to power bigger estates of tablets.

## SPECIFICATIONS

TCS-316	Tablet Charging Station
<b>Compatible Tablets</b>	X231
<b>Charging Bays</b>	16 Bays - 5.4VDC / 3.0A per bay
<b>Input Voltage</b>	110VAC 60Hz or 240VAC 50Hz
<b>Retention</b>	M6 floor retention bolt or wall retention strap
<b>Dimensions</b>	245mm (W) x 1029mm (H) x 292mm (D)
<b>Weight</b>	18kg

TCS-316	Tablet Charging Station
<b>Operating Temp.</b>	0°C – 30°C
<b>Storage Temp.</b>	-10°C – 50°C
<b>Options</b>	7 Day/24 hour time switch
<b>Certification</b>	CE, FCC
<b>Ordering Information</b>	TCS-316-1 – 16 Bay Charge Station TCS-316-2 – 16 Bay Charge Station with time switch
