

X250

10.1" Specialised Tablet

Key Benefits

- Easy to keep all tablets inside a venue continuously charged with increased battery capacity
- More powerful, next-generation tablet for an enhanced gaming experience
- Avoid disruptions with improved wireless Wi-Fi 6E connectivity
- Ergonomic integrated handle and improved adjustable stand for ease of use
- Through-life managed service

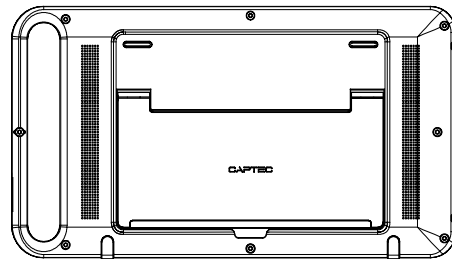

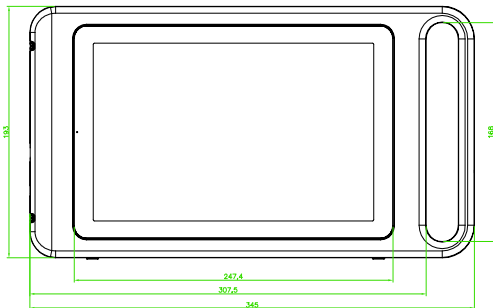

Overview

The X250 improves the graphical performance, connectivity and ergonomics of the Captec X series of gaming tablets, providing the ideal platform to support the latest generation of leisure applications, such as eBingo. Integrated handles and easily adjustable stands make them effortless to carry and use in a variety of positions, while long battery life and easy charging provide uninterrupted gameplay.
