

X250

10.1" Specialised Tablet

Key Benefits

- Next-Gen Performance** powered by the latest generation processor with advanced graphics for smooth, high-frame-rate gameplay and an unparalleled on-premises e-gaming experience.
- Seamless Connectivity** with industry-leading Wi-Fi 6E, ensuring ultra-low latency and support for large numbers of concurrent in-venue devices without interruption.
- Player-Centric Design** with an ergonomic form factor with integrated carry handle, adjustable stand for optimal viewing angles, and ruggedised drop- and spill-resistant construction.
- Effortless Charging** with cable-free pogo-pins supporting full self-service integration with charging stations, backed by a high-capacity battery for extended gaming sessions.
- Long-Term Support** with 5+ years product availability, flexible SLAs and spares-managed service for peace of mind and consistent operations.

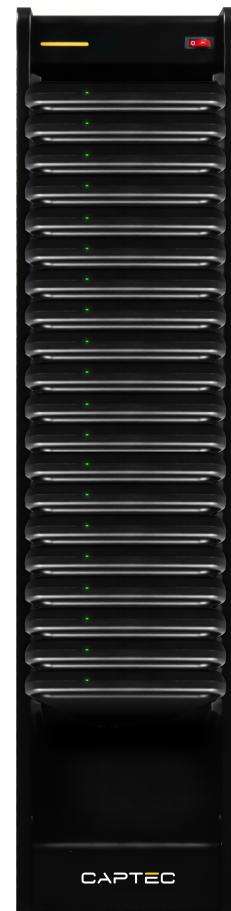

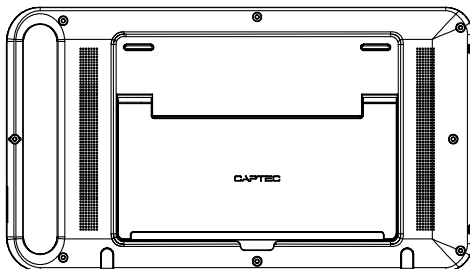

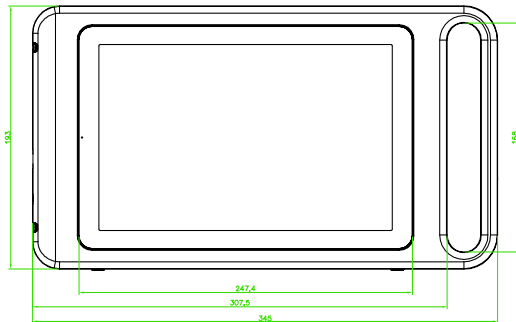

The Ultimate Venue-Ready Entertainment Hub

The new X250 elevates the performance of the Captec X2 series tablets and redefines the player experience with more powerful processor, lightning-fast graphics, ultra-smooth connectivity, and an intuitive, player-friendly design. Integrated handles and adjustable stands make it effortless to move, position, and play, while its tough, spill-resistant build is ready for any venue environment. Long-lasting batteries and cable-free charging keep the action going without interruption, giving players the freedom to enjoy immersive gaming and other leisure applications. The X250 isn't just a gaming tablet, it's the ultimate venue-ready entertainment hub.
